

## **Pre-Reconciliation Preparation**

1) What do you mean by reconciliation? What are your hopes and desired outcome for reconciliation?<sup>1</sup>

---

---

---

---

---

---

---

---

---

2) What are the issues that need to be reconciled? Please be specific.<sup>2</sup>

---

3) How did you become aware of the issues/concerns that you feel need to be reconciled?<sup>3</sup>

---

---

---

---

---

<sup>1</sup> Step One of the Peacemakers Process.

<sup>2</sup> Issues need to be clearly understood so that the real issues of reconciliation can be dealt with.

<sup>3</sup> This is important so that gossip and hear-say may be eliminated from the equation.

4) With the issues, what sin needs to be confessed by the parties involved?<sup>4</sup>

---

---

---

---

---

---

---

---

---

---

5) How have you been personally sinned against and by whom?<sup>5</sup>

---

---

---

---

---

---

---

---

---

---

6) In what ways have you contributed to the conflict and sin?<sup>6</sup>

---

---

---

---

---

---

---

---

---

---

---

<sup>4</sup> If the issue is sin (we know sin by the scriptures), then it needs to be confessed. If it is not sin then the parties can agree to dis-agree.

<sup>5</sup> This question helps eliminate triangulation and ensures that reconciliation happens between proper parties.

<sup>6</sup> Step Two of the Peacemaker Process.
